

ISIS (ISET) Divine Mother of All offers words of wisdom to support our soul's evolution

This is ISET (ISIS) the Divine Mother speaking (*channelled by Fotoula Adrimi*)

I come to you, as I have always come, for I have always been part of the Earth reality. I have had many names, all of which bring the Divine mother energy into the world that encourages incarnated souls to open up to their own brilliance of unconditional love and shed the fears of the conditioned reality. There are those you call Masters of Light – buddhas and awakened beings – who incarnated as human beings and achieved a very important step in the evolutionary process – manifesting the light of awareness of their spirit.

These are souls, like yourself, who carry the Divine essence. The only difference is that at some point, these souls had lifetimes where they experienced the conditioning to such a degree that they chose a path to self-realisation – a path that supported them to overcome the programming of the ego state and open to a path of truth or MA'AT (Divine justice).

These souls also lived in other places in the cosmos, for the conditioning is not found exclusively on the Earth plane. They had many lifetimes where they focussed on following a path of Light.

The channellings, practices and ceremonies contained herein are for your personal use.
Please do not teach this material as your own, as this is unethical.

The souls then planned their lifetime on Earth so that their whole life would be a teaching for those seekers who wish to follow an inner calling and awaken. Their life demonstrates how they chose to follow a path of Light and then share it with others. In so doing they left behind teachings and important landmarks for those who wish to step on the road less travelled.

The Mystery Schools preserved the knowledge that had been shared by these masters, who achieved the shining spirit / the rainbow body whilst living. The teachings were hidden, for people have to achieve a certain degree of realisation in order to practice them. Otherwise, they are meaningless. However, the Mystery Schools closed, their time came to an end. This meant that the stories and the teachings of the old masters were lost.

In time, new masters came and taught, and also achieved the rainbow body. In some cases they were the old masters who had reincarnated. They were born in remote places away from the fierce resistance of the conditioning, and in cultures that accepted and preserved the teachings.

Caught in the Wheel of Karma

There is always the possibility with every incarnation that, no matter how advanced the soul, it can still be caught in the earthly programming and thus unable to realise the shining spirit body of ascension. Indeed, some masters were caught in the wheel of reincarnation and found themselves back on the path that is governed by the law of karma and they are still in this world, walking their path once again

into the enlightened state, until a time when ascension becomes again possible. Other masters have permanently left the Earth reality and made space for more souls to grow into their own Light, and transform the vibration of the planet from within.

One might say that the Earth school has a subscription that maintains the balance of light and darkness, for it is a place of duality. There are old souls who walk a path of Light and there are souls who walk a path of the ego mind, until a

realisation is possible and they see another way. During these changing times souls carrying many different vibrations and understanding are looking to subscribe to the Earth school so that they can evolve – for this is a great time of spiritual evolution.

Still, many get lost in this endeavour, caught in the planet's conditioning which has become all-consuming. While, paradoxically, access to the path

of Light has never been more accessible. During these times of transition there is such a growth in spiritual awareness. Consequently, the collective shadow is rising, trying to control and stop the opening of the human heart, resisting change, living in fear, and rejecting any expression of love.

There is so much destruction happening on the planet at this time and this is causing people to question their calling, wondering if their spiritual path is serving them and the World. At the same time, the high vibrational energies that flow into the Earth invite the heart to keep opening and encourage incarnated souls to find a way back to their spirit.

The Era of Horus

This time is the precursor of the era of Horus. In the myth, Horus is born in the marshes, hidden in the mist. He does not know who he is. But at some point he realises that the conditioning has usurped his crown chakra, his connection to the Divine Self. This realisation inspires him to face and overcome the energy that prevents him from being sovereign unto himself. Horus goes on an inner journey of reclaiming himself and his crown, and rises out of the conditioning. In the journey

Horus is not alone. He is supported by enlightened beings and by ISET, the Divine Mother who aids her child, and calls for the rule of MA'AT, Divine justice, to be restored.

As the Divine Mother, I see everyone as my Divine child. The time of Horus is yet to come. This is the time when humanity, aware of the corruptive forces of the conditioning, will choose the path of spiritual awakening. You are now at the threshold of the era of Horus, and many of you have felt a calling to self-realise into the awakened state.

Like the old Masters, you are supported by the Light and you have chosen this lifetime so that you can rise out of the conditioned reality, find a path of Light, and wake up. You can even awaken your physical body into its elements of Light energy, and transform your physical body into the shining spiritual body.

This is the process that is open to you in this world. As you walk a path of awareness, you discover that you have access to an inner wisdom that is much greater than all the wisdom writings in this world, for this wisdom is birthed through your direct experience. In order to access it, you engage actively with a path of Light and you keep walking, for it will lead you back to yourself.

Channelled Message from ISET during the Rays of Divine Consciousness Retreat

ISET came through Fotoula and offered a channelling to the participants of the recent Rays of Divine Consciousness Retreat. Her words about inner wisdom through love, the esoteric path and the awakening process are a treasure to the spiritual seeker of our times. We share her words as a gift to anyone walking a spiritual path of inner awakening.

ISET says: "**Wisdom without Love is not possible.**

If you populate your mind with concepts, wonderful as these may be, unless you open your heart centre, these concepts have no energy. I come to invite you to allow yourselves to be loved by you, for this is the first step, the first chapter in the book of awakening."

ISET speaks about the awakening process as a collective path and explains that our spiritual work can ignite someone else's awakening, even if we have no idea who this other person may be. She says: "Others have a realisation because you had one, and you have a realisation because someone else had one. This is the network of light that has been built around the Earth".

During the channelling, there are times of silence, this is when ISET transmits high vibrational energy through her wings of light. We recommend that you do not hurry through these times, but stay in a meditative state.

Following the channelling, we suggest you gently close down by asking that you are completely closed, protected and sealed and so is the space around you. It is good to have some water and take some time to integrate this experience.

The Angel Rock with Lorilei Potvin and guest Fotoula Adrimi

In this second Angel Rock podcast Fotoula and Lorilei discuss shamanism and shamanic healing – what it is and where it takes you.

Fotoula discusses traditional shamanism and how her path took her back to the magic of the ancestors. If the calling is there, the helping spirits find the path beyond the limitations of the conditioned reality and cultural prohibitions.

Fotoula shares her experience of twenty years of practice and explains shamanism in a way that it is easy to understand. She also makes suggestions for our everyday life.

Shamanic Dance of the Sacred Spirits

In Person – Glasgow, Monday 22nd June

We meet near the Summer Solstice - 18.00-21.00, Monday 22nd June

The Enlightened Shamanic Spirits have asked us to hold the Shamanic Dance of the Sacred Spirits **every three months** at the time of the equinoxes and solstices. They say, "the Ceremony is a healing dance for the Earth, everyone taking part, and all beings. It is a dance to bring change to your world and increase the vibration of the Earth, healing disharmony and suffering. This is a circle of service, for those with a pure intention to work for the highest good."

The Sacred Dance

In the dance we will merge with helping compassionate spirits to bring healing to ourselves and the world reality. We will journey to the spirits of the dance and then invite them to come through our body as we move to the sound of the drum, chanting, and tribal music. We will release heavy energy and bring in higher vibrational Light. At the end we will do a transfiguration practice to release the spirits. Fotoula has also found that just before the ritual ends, beings who have died but have not gone to the light can come to the altar for release. If this happens she will guide a psychopomping.

If you wish to come and cannot dance or dance for the whole time, do not worry. You can sit and participate with your intention, play your drum or rattle, and still be part of the ceremony. The dance part only lasts 30-45 minutes. There will also be time for a sharing space afterwards where we can speak the wisdom that comes through our wise heart.

Details about the Sacred Dance Ceremony

Time: 18:00-21:00 (*Please note we start at 18:00 not 19:00*)

Date: Monday 22nd June, Summer Solstice

Venue: Library, Glasgow Theosophical Society,
17 Queen's Crescent, Glasgow

Investment: £33/£28 concession (payment by bank transfer to The Isis School)

In Person Shamanic Practitioner Course Join us in February 2027 – book your space

A shamanic practitioner is a bridge between the world of spirit and the alternative realities, and our own physical world. The practitioner crosses the bridge entering parallel universes to bring healing, life-force, guidance and deep awareness to themselves, their clients and their community.

The ISIS School offers an in-depth **In Person Shamanic Practitioner Training** designed to take participants through the initiations of the shamanic path and teach the healing work of a shamanic practitioner. Participants will work with spirit guides and teachers of the light, to become the bridge between the worlds and bring the spiritual light into the physical reality.

How is the Shamanic Practitioner Course designed?

This is a powerful shamanic practitioner course that involves learning and practicing ancient ways. The course is designed to take participants through the initiations of the shamanic path and teach the healing work of a shamanic practitioner.

What will the Shamanic Practitioner Training cover?

The training covers ceremony, Power Retrieval and Introduction, Healing with Spiritual Light, Medicine for the Earth, Shamanic Journeying and Divination, Soul Retrieval, Extraction, Psychopomping, Death and Dying, and finishes with a Graduation Ceremony. It is a comprehensive course offering a strong foundation for shamanic practice.

How long is the Shamanic Practitioner Course?

The whole shamanic practitioner course is taught as a **two year ceremony**. It is much more than sharing information and techniques. We will be riding a shamanic wave on a journey home to ourselves. We hope that the ceremony will carry everyone to a new depth and inner understanding of themselves, within and outside the times we meet.

About the Shamanic Practitioner Course

To graduate as a shamanic practitioner participants need to complete all modules and casework, and attend the graduation ceremony. This is a commitment each participant makes with the wise spirits / guardians of these ancient teachings. The shamanic practitioner course teaches the methods but it is up to participants and their wise spirit teachers to develop the art. No-one can make us a practitioner. It is an inner calling and a gift from spirit to the person.

Once you sign up, changes may take place to align you with your path and soul's calling.

Places on the course are limited

Bookings are essential. We teach in small groups to allow space for each person on the training to speak and be heard. (*Note:*

Should there be any restrictions to meeting in-person (eg lockdowns) the course will continue online for the affected meetings.)

If you are interested in the Shamanic Practitioner Course then email Fotoula: info@isis-school.com

Priestess of the Moon™ Training

Registration is now open for the new Priestess of the Moon Circle beginning February 2027

Priestess of the Moon Training

Answering the call of the Moon

A new Circle begins in Feb 2027

A two-year Training that supports women to embody their sacred power

For thousands of years ceremonies took place in sacred sites overseen by Priestesses and Priests of the Living Light. This lineage, that was also found in Scotland, is being reintroduced through The ISIS School of Holistic Health Ltd. The ceremonies and teachings take women into a magical journey of self-empowerment and deep realisation of their inherent gifts.

The Celtic Goddesses and spirits of the land welcome back the women who open their heart to their deep connection, ancestral wisdom and magic.

The Priestess Training Programme

The Priestess of the Moon™ Training is based on the Celtic Pagan tradition but at the same time, adopts a cross-cultural approach. During the course we explore ancient traditions of the Goddess and female priesthood from different cultures around the Earth, such as ancient Greek, ancient Egyptian, Shamanic, Native American and Himalayan.

Participants can find their own representation of the Goddess in whatever way is suitable for them and their beliefs.

The Priestess Training begins with an Initiation in a Stone Circle of the Sun and Moon, an ancestral place of power, where we make the commitment to walk the Path of the Priestess and support each other as women co-creating a Circle of Sisterhood. We bring our gifts into the world and share them with All.

The Course will teach you how to hold Ceremony for yourself, the circles of people who will come to you, and the people who wish to go through Rites of Passage. During the two years we share the Priestess of the Moon Ceremonies:

- the Sun Festivals – the equinoxes and solstices, and the Fire Festivals – Imbolc, Beltana, Lamma, Samhain;
- the different phases of the Moon – the dark moon, new moon, waxing moon, full moon, waning moon;
- Ancestral healing ceremonies;
- Womb Rites – womb healing and activation;
- Naming ceremony – for babies and adults;
- Funeral service;
- Sacred Marriage to the higher self;
- Hand Fasting Ritual;
- Working with the Fae and spirits of the land;
- And many other ceremonies and teachings.
